Ootacamund, August, 10, 1911.

No. 420.—His Excellency the Governor in Council, with the previous sanction of the Governor-General in Council, is hereby pleased to declare under provisions of section 24 of the Madras Forest Act (V of 1882) that the area specified below, which in notification No. 461, dated 18th October 1890, published at pages 815 and 816 of Part I of the *Fort St. George Gazette*, dated 21st October 1890, was declared to be reserved forest under section 16 of that Act shall cease to be reserved forest with effect from the 1st November 1911.—

Specification of land disforested.

Name of reserve or portion of reserve disforested.	District.	Taluk.	Village.	Area in acres.
No. 60 Mittanmanil	Chingleput ..	Saidapet .. .	No. 58 Mittanmanil.	acs. 34

Boundaries.—The portion is bounded on the north by the western and southern boundaries of reserve No. 284; on the south by a straight line drawn west-north west from the south-west corner of reserve No. 284 to a point on the eastern boundary of reserve No. 283, six chains south from the north-west corner of reserve No. 284, on the west by a straight line drawn north from the last-mentioned point to the north-west corner of reserve No. 283.

Brief description.—The portion consists of two triangular bits of land with very scanty growth including a portion of the village tank.

Reasons for disforestation.—The boundaries of the reserve were demarcated on the ground, the portion which it is now proposed to disforest having been excluded from the reserved forest. As this portion has ever since the time of demarcation been treated as outside the reserve, as it is of little or no value for forest purposes and as the recent revenue survey has followed the forest boundaries demarcated on the ground it is not worth while now to alter the existing demarcation.

Government, August 17, 1911.

SCHEDULE.

3. (3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

CONDITIONS OF SALE.

That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arise between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to conduct the sale a deposit of Rs. 10 *per centum* in part payment of his purchase-money and shall at the same time sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 12 *per cent.* per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6 That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to re-sell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such re-sale, together with all expenses attending it shall be made good by the purchaser at the present sale who shall so neglect or refuse as and for liquidated damages.

7. That the assessment on the land shall be paid for fasli 1322, that is, from 1st July 1912.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT

Bills introduced in the Council of the Governor General of India for making Laws and Regulations, Reports of Select Committees presented to the Council, and Bills published under Rule 23.

NOTIFICATION

Simla, the 23rd August 1911

No. 23.—The Governor General has been pleased, under rule 23 of the Rules for the conduct of the Legislative Business of the Council of the Governor General, to order the publication in the Gazette of India in English of the following Bills, together with the Statements of Objects and Reasons relating thereto, and the Bills and Statements of Objects and Reasons are accordingly hereby published for general information :—

(1) The Indian Christian Marriage (Amendment) Bill, 1911.
(2) The Court-fees (Amendment) Bill, 1911.
(3) The Indian Forest (Amendment) Bill, 1911.

(5) The White Phosphorus Matches Prohibition Bill, 1911.
(6) The Indian Airships Bill, 1911.

No. 10 of 1911.

A Bill further to amend the Indian Christian Marriage Act, 1872.

WHEREAS it is expedient further to amend the Indian Christian Marriage Act, 1872; It is hereby enacted as follows:— XV of 1872.

Short title. 1. This Act may be called the Indian Christian Marriage (Amendment) Act, 1911.

Substitution of new section 81, Act XV of 1872. 2. For section 81 of the Indian Christian Marriage Act, 1872, the following section shall be substituted, namely:— XV of 1872.

Certificates of certain marriages for Secretary of State. "81. The Registrar General of Births, Deaths and Marriages and the officers appointed under section 56 shall, at the end of every quarter in each year, select, from the certificates of marriages forwarded to them, respectively, during such quarter, the certificates of the marriages of which the Governor General in Council may desire that evidence shall be transmitted to England, and shall send the same certificates, signed by them respectively, to the Secretary of State for India."

STATEMENT OF OBJECTS AND REASONS.

IT is proposed to amend section 81 of the Indian Christian Marriage Act, XV of 1872, so as to enable all Registrars General of Births, Death and Marriages in India to transmit quarterly all certificates of marriages solemnized in their Provinces direct to the India Office instead of sending them through the Government of India in the Home Department as at present. The existing system necessarily involves some delay, and does not appear to have any compensating advantage. It is also proposed to omit from this section the words "and delivered to the Registrar General of Births, Deaths and Marriages in England" because it is inconvenient that the certificates in question should be sent to that officer while all the other returns are preserved in the India Office.

The 2nd May 1911. H. BUTLER.

No. 11 of 1911.

A Bill further to amend the Court-fees Act, 1870.

WHEREAS it is expedient further to amend the Court-fees Act, 1870; It is hereby enacted as follows:— VII of 1870.

Short title. 1. This Act may be called the Court-fees (Amendment) Act, 1911.

Amendment of Schedule II, Act VII of 1870. 2. In Schedule II of the Court-fees Act, 1870, after article 1 the following article shall be inserted, namely:— VII of 1870.

"1A. Application to any Civil Court that records may be called for from another Court.	When the Court grants the application and is of opinion that the transmission of such records involves the use of the post.	Twelve annas in addition to any fee levied on the application under clause (a), clause (b) or clause (c) of article 1 of this Schedule."

STATEMENT OF OBJECTS AND REASONS.

THE Bill proposes to amend the Court-fees Act, 1870, so as to enable Courts, instead of recovering from parties to litigation the actual cost of the transmission and retransmission by post of records called for at the instance of those parties, to levy, by means of a court-fee stamp, a uniform fee of twelve annas. This fee is intended to represent the average charge incurred, and its imposition at a uniform rate will facilitate business. It will be payable only in civil cases, and only when it is actually necessary to employ the post for the transmission of the records.

The 15th May 1911. J. L. JENKINS.

No. 12 of 1911.

Short title. 1. This Act may be called the Indian Forest (Amendment) Act, 1911.

Amendment of section 2, Act VII, 1878. 2. In section 2 of the Indian Forest Act, 1878, in sub-clause (c) of the definition of "forest-produce", after the words "mahua flowers" the words "mahua seeds," shall be inserted. VII of 1878.

Amendment of section 26, Act VII, 1878. 3. In section 26 of the said Act, for the words "with the previous sanction" the words "subject to the control" shall be substituted.

Amendment of section 31, Act VII, 1878. 4. In section 31 of the said Act, after the words "from time to time" the words "and subject to the control of the Governor General in Council" shall be inserted.

Amendment of section 39, Act VII, 1878. 5. (*a*) In section 39 of the said Act, for the words "with the previous sanction" the words "subject to the control" shall be substituted.

(b) After sub-clause (b) the following proviso shall be inserted, namely —

"Provided that a notification directing the levy of a duty in the case of timber and other forest-produce brought from any place beyond the frontier of British India, which is not under the control of the Local Government, shall not be issued without the previous sanction of the Governor General in Council"; and

(c) For the words "with the like sanction" the words "subject to the like control or sanction, respectively" shall be substituted.

Repeal of proviso to section 77, Act VII, 1878.

6. The proviso to section 77 of the said Act is hereby repealed.

STATEMENT OF OBJECTS AND REASONS.

THE main object of the Bill is to give Local Governments power to declare forests no longer reserved, to make rules for protected forests, to impose duties in certain cases on timber, and to issue rules under certain sections of the Forest Act. The present law does not permit of the Local Governments exercising the above powers without the previous sanction of the Government of India, and it is now proposed to do away with the necessity for the previous sanction.

The opportunity has been taken to declare "mahua seeds" to be forest-produce. There is a large and growing trade in these seeds in certain parts of India, and it will be a convenience if it can be subjected to the same control as is exercised in the case of other forest-produce.

The 6th June 1911. R. W. CARLYLE.

STATEMENT OF OBJECTS AND REASONS

THE object of this Bill is to prohibit the importation into India, and the manufacture and sale in this country, of matches which contain white (yellow) phosphorus.

It has recently been decided that India shall become a party to the Berne International Convention of 1906, the object of which is to prohibit the use of white (yellow) phosphorus in matches, in order to eliminate absolutely the chance of the very painful disease called "necro sis" or "phossy jaw" occurring among the operatives in match factories. Under the terms of that Convention, it is incumbent upon the contracting parties to take the necessary administrative steps to ensure the attainment of the object of the Convention within their respective territories, and the present Bill has been framed accordingly. The provisions of the Bill follow as closely as necessary and practicable the lines of the English White Phosphorus Matches Prohibition Act, 1908 (8 Edw. 7, ch. 42).

14 No suit, prosecution or other legal proceedings shall lie against any person for anything which is in good faith done or intended to be done under this Act.

STATEMENT OF OBJECTS AND REASONS.

THE gradual improvement which is taking place in the construction of airships has given rise to certain new military problems. It is now considered necessary, on military grounds, to prevent the acquisition, through the use of such vehicles, of improper information as to the internal arrangements of forts, arsenals, magazines, etc., and also to protect places or persons from attack from such vehicles in times of actual hostilities. It is therefore proposed to take powers to control, for military purposes, the manufacture, sale, import, export, use and possession of all airships by a system of licenses to be issued to approved persons. It is also proposed to empower Government to take over all such airships, subject to the payment of reasonable compensation, in times of grave public emergency.
